MOTION TO CONTINUE

On April 18, 1989, Thomas F. Hardiman, Chief Negotiator for the State Employees Association of N. H., Local 1984, SEIU, AFL-CIO, filed a Motion to Continue the scheduled May 4, 1989 hearing on the unfair labor practice complaint filed against the State of New Hampshire Bargaining Team alleging bad faith bargaining for attempting to implement a salary matrix by legislation under H. B. 250.

PELRB at its hearing on April 18, 1989 reviewed the Motion and the remedy requested. Based on the fact that an expedited hearing had been sought because of budgetary legislative and bargaining timetables, several attempts were made to comply with the request as quickly as possible; i.e., the week of March 19th with an agreed April 11th date which later had to be rescheduled due to the unavailability of one of the witnesses. May 4th was finally agreed to by all parties and scheduled for 1:30 p.m. on that date.

After review, the members voted unanimously to deny the Motion to Continue. Hearing in the above case will be held as scheduled.
